

How to get to Sherwood Pines

By car

Take the A60 out of Nottingham, and then the A614 towards Ollerton. Just after Rufford, take a left and join the B6030 to Clipstone. There should be brown signs to direct you to Sherwood Pines Visitor Centre (Note: this is not Sherwood Forest visitor centre!)

By public transport

By Train - the nearest railway stations are at Mansfield, Mansfield Woodhouse and Worksop. Additional transport is needed from these stations to reach Sherwood Pines.

Trains to Mansfield are the Robin Hood Line operated by East Midlands Trains. Train Times on their website provides a time-table and costs for the Worksop to Nottingham service, calling at Mansfield.

By Bus - Stage Coach numbers 14, 15, 15a http://www.stagecoachbus.com/PdfUploads/Timetable_2067_14-15.pdf Again, please note that these do not take you directly to the forest.
